## Transition Manager: Ngati Pahauwera Development & Tiaki Trusts

The Ngati Pahauwera Deed of Settlement was signed in December, 2010. The legislation and completion of the settlement is likely to be received in 2012. A Transition Manager is now required to assist with the infrastructure requirements to transition from a Treaty Claims organisation into an organisation that has the systems, policies, procedures, plans developed or in place for when the settlement is received.

The Transition Manager will also be responsible for Developing and managing the assets and co ordinating the administrative and operational functions of the Ngāti Pahauwera Development and Tiaki Trusts. This is a two year contract role. The Trusts Office is currently located in Wairoa. However, there is flexibility in where this position is located.

Ideally the person would have:

- Generic skills in Community and Economic Development
- The ability to initiate and implement creative and innovative solutions.
- Qualifications and experience in Management and Planning
- Commercial and business experience
- Experience in Project and Change management
- Experience in developing organisational capability and capacity.
- Executive and technical skills for organisational leadership
- Current full NZ drivers licence

If you are a capable, passionate person with a desire to make a difference and can add value to our dynamic team please send your CV and covering letter to: [npdtt@xtra.co.nz](mailto:npdtt@xtra.co.nz) by **3pm Friday 11 November 2011**. The job description is available on <http://ngatipahauwera.co.nz> or phone Tania on 021 897514 for further information.
